Ballots must be received by the day of the meeting and will be counted at the April 20th meeting and the results will be announced at that time. Our 1984 Voters Guide follows.

1984 ASSF VOTERS GUIDE: Candidate Profiles

Candidate Profiles are listed in alphabetical order and are reprinted verbatim as submitted by the candidates themselves or their campaign staff.

BOB CARR: (Although requested and promised, this profile had not been received as of press time. Voters, therefore, must research this candidate themselves, or rely on their intuition. Ed.)

JOAN FONTE: Member of ASSF since 1975. Participated in excavations here & also in Mexico. Member of Dade Heritage Trust, Hist. Assoc., BS in Biology. Former history & science teacher.

SETH LEFKOW: Seth is a devious, crafty, shifty-eyed, pot-hunting person. Most people dislike him intensely--the rest hate him with vigor. He has no influence over anyone, nor is he to be trusted with anything. He will probably die in prison.

JEANIE MCGUIRE: Member ASSF since 1975. Served on board of directors; president, 1983. Field school instructor; teaches adult archaeology for the Hist. Assoc. of S. Florida; member FAS; member DHT and serves on DHT board as liaison from ASSF; member HASF; kindergarten teacher -- Dade County Schools.

DARYL T. NAGEL: Member S. Fla. Arch. Soc.; Nurse & Professor, University of Miami.

WESLEY G. RIES: Member S. Fla. Arch Soc.; Administrator & Educator in S. Fla. Florida Trail Association--Section Leader.

Alright, all ASSF voters; from here on out, you are on your own. Ed.

GIFFORD LECTURE

A special thank you to Dr. John Gifford, our March guest speaker. His update and look into the future for the Little Salt Springs site was excellent. Following the meeting we adjourned to a local restaurant for desert and coffee.

PRESIDENT'S CORNER

We welcome Beth Read, our editor, to an appointed position as trustee on our board of directors. Beth will be serving out the term and position vacated by Joan Fonte, who resigned to run for secretary of the board.

Many new and exciting activities are ahead in which you can participate. So, enjoy the newsletter, which has the details, and join us whenever possible

FIELD NOTES

We have opened Da 1058 and it is beautiful and productive. We have five pits open at this time and have unearthed pottery sherds, human bone, animal bone, shell celts, bone points and ballast stones. We have had an excellent turnout every weekend of at least 20 people--and many new faces. The site is large and we can use everyone's help with excavation and with cleaning and sorting at Wes Coleman's house.

Excavation dates and times: Saturday, April 7, 9:00 a.m.; Sunday April 15, 12:30 p.m.; Saturday, April 21, 9:00 a.m.; Sunday, April 29, 12:30 p.m.; Saturday, May 5, 9:00 a.m.; Sunday, May 13, 12:30 p.m.\*

\*Please call Jeanie (662-1950) or Wes (226-6788) to let us know you plan to work and to be sure the dates and times have not been changed.

FLORIDA ANTHROPOLOGICAL SOCIETY ANNUAL MEETING

Every member is encouraged to join FAS. You do not have to be a member, however, to attend the excellent conference to be held in Palm Beach. This is always an informative and exciting meeting and we urge everyone to try to attend. Since the meeting is within easy driving distance this year, we hope to see many ASSF faces in Palm Beach on the weekend of April 27-29.

Reminder: Former ASSF member Joan Haas is running for treasurer of FAS. Let's go, together, if possible, and enjoy a fine weekend. A calendar of events and an advance registration form is included below.
