SEPTEMBER GENERAL MEMBERSHIP MEETING:

The September General Meeting will be held on Thursday, September 22, 1988 at 7:30 p.m. at Simpson Park, 55 S.W. 17th Road (Just off South Miami Avenue, follow the sign.). The featured speaker will be Dr. John Gifford, from the Department of Anthropology at the University of Miami. Dr. Gifford has conducted some of the recent research at Little Salt Springs and his topic will be "Early Man in Florida and Discoveries at Little Salt Springs." Dr. Gifford will illustrate his talk with slides and the evening promises to be most interesting. The talk will be followed by a social period and refreshments.

A MESSAGE FROM THE PRESIDENT:

I want to tender my apologies to the membership for my forced absence from the past two general membership meetings, once because of illness and once because of a related change in vacation travel arrangements. My grateful appreciation is extended to all those members who so willingly joined forces to ensure that our activities proceeded as planned and scheduled.

IN MEMORIAM:

We are sad to report that former member, TOM LUX, who served as our treasurer for a number of years and subsequently moved upstate, died suddenly on August 29, 1988. Tom will be missed by all who knew him and admired his courage in the face of adversity.

S.O.S.:

As is most evident by this issue of the newsletter, our S.O.S. is still out for assistance with the newsletter which is our most effective line of communication with our membership. Member Pat Cervi has volunteered to take over computerized production of the newsletter. As a result our newsletter will have a new format. We, however, still need someone to assist with gathering and coordinating the news items and short articles which are to be included each month. Anyone who would be willing to work with Pat on this aspect of the newsletter, please contact any member of the board or call Beth Read at 361-2102 or 374-5699.

PLEASE NOTE DATE CHANGE FOR THE GENERAL MEMBERSHIP MEETING!
